My dear Mr. Garrison,

Please allow me to add my "mite" to the contributions you forward for the Freedmen. This is with me in a sense a tribute to the memory & virtues of my inestimable friend Mrs. Garrison.

I am late in thanking you, if I have not already done it, for the Memorials of her life, you so kindly sent me, which I have always with me. Please acknowledge receipt & gratify Yours Sincerely,

Lydia E. Jarvis.
